

LE MANS CLASSIC 2010

July 9, 10 and 11th 2010

Every two years Le Mans Classic re-unites some of the most beautiful and exiting cars in this mechanical saga of 80 years. You will admire different categories of prestige vehicules starting every 80 minutes on the track. This year will join see seven Midgets, one MGA Le Mans EX182, one Twim Cam, a TD and a MGB. This 5th edition promises to be brilliant so if you are a car fanatic we hope to welcome you there.

It has been very difficult to find lodgings at a reasonable price, without travelling 100 Kms away from Le Mans. Here is what we suggest:

- *Tickets including MG club parking inside the Bugatti Circuit, paddock and tribunes access (with supplement),*
- *Possibility of a circuit tour on Saturday morning,*
- *Two nights minimum at hotel 2* at Mulsane (close to the circuit) or hotel 1* in Le Mans. Some more "rustic" student lodgings will be available,*
- *Friday evening 8pm MG Club cocktail and diner with the sound of a Jazz orchestra, near the circuit.*

You will find our MG Club de France Stand with easy access to the circuit (same place as 2 years ago).
